

**GENERAL TERMS AND CONDITIONS OF PARKING IN AREAS A
PAYMENT MANAGED BY PARKING METER**

Interparking Italia Srl

GENERAL TERMS AND CONDITIONS OF CONTRACT PURSUANT TO ARTICLES 1336 AND 1341 OF THE
ITALIAN CIVIL CODE

RELATED TO AREAS SUBJECT TO PAYMENT BY PARKING METER

Effective as of 17 December 2020

1. These general terms and conditions of contract govern the contractual relationship of a private nature between the user and the manager of the Interparking Italia Srl parking service with registered office in Isola Nuova del Tronchetto, 14 – 30135 Venezia (VE) – Tax ID and VAT no. 05834061003 – certified email address interparkingitalia@pec.it.
2. The object of this contract is exclusively the provision of the parking service by Interparking Italia Srl in the areas managed by the same, by payment of a fee in cash, for the sole purpose of parking the vehicle. By parking the vehicle in the paid areas managed by Interparking Italia Srl the user concludes a parking contract governed by these general terms and conditions of contract prepared as an offer to the public pursuant to Article 1336 of the Italian Civil Code.
3. All areas demarcated by blue stalls are subject to the payment of the hourly fee, which must be prepaid at the start of parking. Fees and payment time slots are displayed on each parking meter and on the vertical sign. The following reductions apply in the areas demarcated by blue stalls:

Reductions for vehicles with disabled passes, electric/hybrid cars (press yellow key) - 1 hour free of charge

4. In parking areas where the parking of vehicles is subject to the payment of a sum to be made by an automatic ticketing device, the driver is required to put the device into operation. The operation of the parking meter is to issue, at the time of the start of parking, the receipt for the desired period and to display it on the dashboard of the car in a way that is clearly visible and readable through the windscreen. The parking ticket must be collected at the parking meter and displayed clearly visible on the dashboard of the car. It is mandatory for the car park user to display the payment ticket in the vehicle in a visible way so that it is possible to check the correct payment of the parking fee. Failure to display the ticket or display it in such a way as not to allow it to be read is equivalent to non-payment of the parking fee.
5. In the case of non-payment of the parking, or of failure to display the ticket on the windscreen of the vehicle, or in the event that parking is extended beyond the period of time corresponding to the payment made – that is, in the case of an expired ticket – a fine for the sum due for the fee evaded due to loss of earnings equal to the amount shown in the following table:

| | | |
|------------------------------|-----------------|------------|
| <i>Receipt not displayed</i> | Purple fee zone | € 18.00 |
| | Red fee zone | € 18.00 |
| <i>Receipt expired</i> | Purple fee zone | € 12.00 |
| | Red fee zone | € 12.00 |

The fines applied are understood to include reimbursement of the costs incurred in the assessment of fee evasion and are also applied on the basis of Article 17 paragraph 132 of Law 127 of 15.05.1997 (the so-

called "Bassanini Bis Law") which stipulates that managers can still exercise all necessary actions to recover fee evasion and non-payments, including the reimbursement of expenses and the fee evaded.

6. Payments for parking or any contractual lump sum penalties may not be made directly to the operators present in the ground-level parking areas, which are solely responsible for the control of parking. The payment of the fine as a sum due for the evaded fee can be made in the following ways:

- a) At the information office of Interparking Italia Srl - Park San Giusto, Trieste in via del Teatro Romano 16 (car park entrance)

- b) By bank transfer to the following bank account number:

- b) IBAN: IT32 R030 6902 2111 0000 0006 989

- c) BIC SWIFT: BCITITMMXXX (abroad)

indicating the fine number and the licence plate number of the vehicle in the payment reference.

7. The payment of the fine as a sum due for the evaded fee must be made within 10 days of the dispute of non-payment or insufficient payment of the parking fee. If the payment does not take place within 10 days from the date of the dispute, Interparking Italia Srl will activate all the necessary actions to recover the non-payments. The reimbursement of expenses related to the management of debt-collection activities, for a minimum amount of € 25.82, will be charged to the defaulting user.
8. In the event of non-payment, Interparking Italia Srl reserves the right to appoint a lawyer who will send a registered letter of formal notice, with a charge of an additional fee of € 50.00 as a contribution to legal expenses.
9. In the event of non-payment of the sums referred to in the previous Articles 5, 7 and 8, despite the sending of a letter of formal notice referred to in the previous Article 8, Interparking Italia Srl may take legal action for debt collection and the costs incurred, in accordance with the provisions of the Italian Code of Civil Procedure.

WARNINGS

Operators in charge of issuing penalties for a flat-rate collection of the fee evaded for violation of the present general contract conditions act as private subjects and not as "parking assistants". Contractual fines, therefore, do not constitute administrative sanctions and are not subject to the rules provided for by the Highway Code.

It should also be noted that the payment of the above fine does not preclude the ascertainment of possible administrative offences for violation of the Highway Code by the relevant authorities, with the application of the envisaged administrative sanction.
